### Instructions for filling out the form.

1. Fill in your name at the top. Indicate the number of hours you would like to work (minimum 10, maximum 20).
2. Mark out unavailable hours. Please note that if you need to get from class to SSA, be sure and mark that as unavailable. Also, be sure and leave yourself some time to get something to eat, or whatever.
3. Leave all available hours open. If you would like to indicate your preferred hours, please do so. We will attempt to accommodate, when possible.
